# Protecting you and your loved ones using TraceTogether

If you've been exposed to COVID-19, the TraceTogether app helps the Ministry of Health (MOH) contact you quickly, to guide you on the next steps.
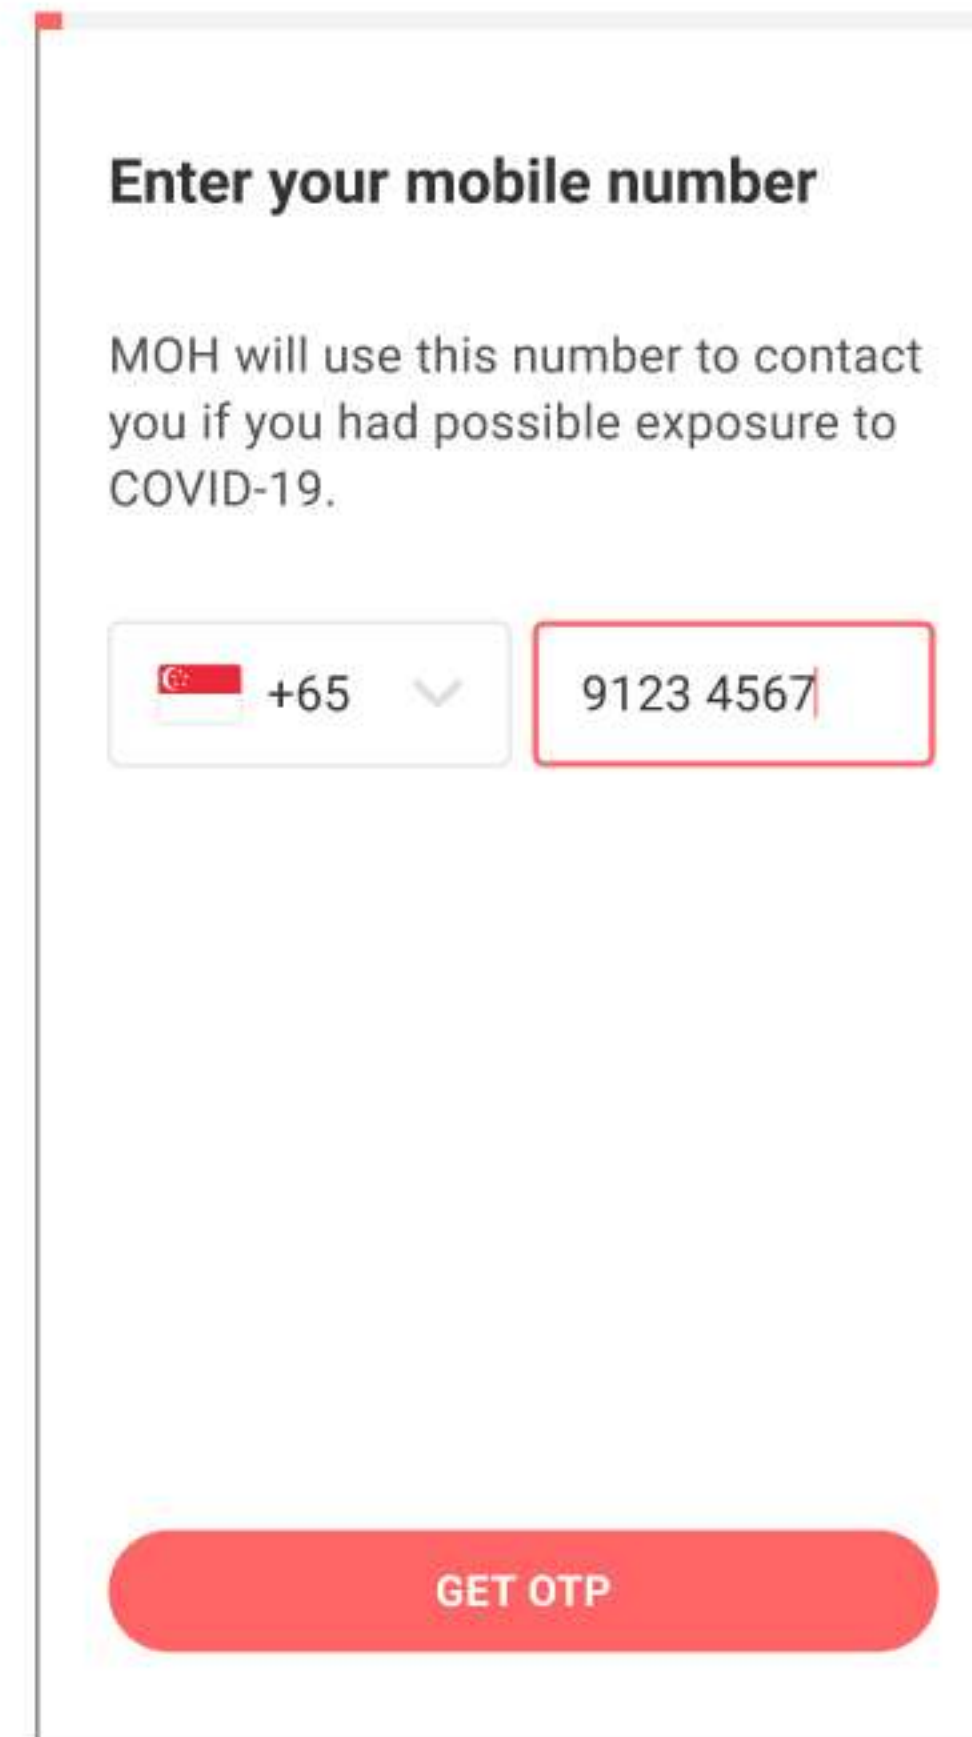

1. **Scan QR code** or go to **tracetogether.gov.sg** to download the app.

   The app is now available in **more languages.**

2. **Launch the app**.

   The first few pages explain the benefits of using the app.

3. **Register using your mobile number.**

   **Enter the One-Time Pin** sent to you via SMS.

4. **Select your profile** and **enter your NRIC/FIN details**.

   This allows MOH **to quickly verify your identity** if they need to contact you.

5. **Enable Bluetooth.**

   This allows us to notify you if you have been exposed to COVID-19*.

6. **Set up completed!**

   Keep your app running and Bluetooth on, until the end of the outbreak!

*Your Bluetooth data is stored securely on your phone, and only shared with MOH if you test positive for COVID-19. The Bluetooth data after 25 days is automatically deleted.

TraceTogether, safer together 🇸🇬
